WHO WE ARE

Dubai's first badminton community built on its own app

Zero to 550+ players in months. Six sessions a week, two locations, every game scored and ranked. We didn't join Dubai's badminton scene — we built its infrastructure.

550+

Registered players

200+

Sessions run to date

6

Sessions every week

2

Locations — DIP &
Dubailand

Everything other clubs do by hand, we built into an app

01

Book, pay, play

Players book a seat in the app and pay online. No cash, no chasing, no guesswork on who is coming.

02

Smart court queue

A live queue calls players to court in fair order and matches them by skill. More games, less waiting.

03

Captain-verified ranking

Trained Court Captains enter every score. Points move after every game — the only honest badminton ranking in Dubai.

04

Challenges & tiers

Players climb from Novice to Professional and can formally challenge each other. Progress you can see keeps people coming back.

05

IQ Pass membership

Multi-game passes with locked seats and priority. Sold out its first packs within minutes of going live.

06

Community feed & programmes

In-app feed, player profiles, a coached Beginner Programme, team merchandise, and an Android app on the way.

THE FORMAT, IN ONE BREATH

Six teams. Every player plays six games. Nobody sits out.

Teams mix Beginners with Professionals, so a first-timer and the best player in Dubai wear the same shirt — your shirt — for four hours of non-stop play on six courts.

Teams of eight, drafted for equal strength

72

Games, all counted in the ShuttleIQ ranking

WHY PARTNER WITH US

A focused, active audience — not a crowd

Who is in the hall

48 players plus partners, families and regulars — working professionals aged 25–45 who play weekly and spend on the sport.

Four hours of attention

Team shirts, court boards and the live scoreboard carry your brand through every game, photo and story of the night.

Category exclusivity

One racket brand, one drinks brand, one clinic. You are the only name in your category on the night.

Proof, not promises

Every sponsor receives a post-event report within three days: photos, reach, mentions and shirt shots.
